

SCOTIA MFP DOUBLE BRAID

Scotia MFP is the answer for a lightweight medium duty rope with good flexibility and strength with the addition of being buoyant and spliceable *. Made from multi-filament Polypropylene yarns with built in UV inhibitors, Scotia has a wide range of uses including recreational marine, safety and rescue, equestrian and canine applications, decorative and crafting projects. Scotia's double braid construction offers a firm but flexible round shape, ideal for sail construction. Offered in a variety of vibrant colors with optional contrasting colored flecks and made in Canada, Scotia is a significant upgrade to cheap variety store rope options. Scotia can also be purchased with 3M Reflective Nite Brite flecks for maximum visibility.

*Spliceable in sizes over 5/16".
